Hi Emily....all good here, just back from EuroDisney...it was amazing. Happy New Year and hope you had a wonderful Christmas break? I can't fill in the document as it's a pdf (so my daughter tells me!) but I've signed it. I've attached emails from Simon with his personal bank details (the bank have spelt his surname incorrectly on this one so please go with it if you use this account). I've also attached his companies bank details (Monoloco) ...the climbing wall and football pitch company. The money is a top up for continuing work on this project. I'll call you first thing in the morning.

Many thanks Sue

Morning Mum,

I have looked over the document and our banking system is a little different.

Our details are as follows:

*Clearingnummer: 9025 (sort code)**Kontonummer: 2986565 (account number)**IBAN-number: SE69 9020 0000 0902 5298 6565 (IBAN Number)**BIC/SWIFT-adress: ELLFSESS (BIC code)**Simon Tierney**Home address:*[BlåklOCKSVägen 32](#)

*Bank Address:**Dalarnas försäkringsbolag*[Slaggatan 7, 791 21 Falun](#)

Sweden

You see that our sort codes are only 4 digits long as opposed to the 6 needed in the form and my surname is spelt wrong.
