Good morning Majid,

We are waiting for HMRC online services to give us the tax return request. We normally have this by now but due to the current circumstances with COVID-19, everything has been delayed.

In preparation, can you send me the following please:

The tax returns are due to HMRC for your pension scheme and in order for us to complete the pension scheme return on time we require the following information as soon as possible.

1. Detailed transaction history on the pension scheme bank account
2. Asset values as at 05 April 2020, i.e. investments, property, shares, loans
3. Details of any assets purchased or disposed of during the period

Any other information you feel may be beneficial in the process of us completing your scheme return will be greatly received, also if possible a brief email outlining any movements within the scheme during the period and any other documentation, statements or other attachments that you feel would be relevant in helping us to calculate and complete your pension scheme return as soon as possible.

I look forward to hearing from you.

Thank you  
Emily
