Dear Enily,

Thank you for your email of 15 December 2016.

Unfortunately you have sent us the notification of registration.

This is not what we require.

I have attached an example of what we require in order for us to show at the time of transfer the scheme was currently registered.

This is taken from HMRC online services and includes the HMRC logo at the top and the date you log in.

The date on this should be no earlier than the month we receive the transfer request in.

The print out should include the PSTR number, name of the scheme and current administrator.

Kind regards

John
