► Gross interest received £0.20	
► Net interest received £0.20	
End balance	£607.57

Banking terms explained

Gross This is the rate of interest payable before the deduction of basic rate tax.

AER or Annual Equivalent Rate is the gross rate of interest worked out as if it was paid and compounded once a year. This allows you to compare interest rates between accounts that pay interest at different intervals.

Net This is the total interest payable after the deduction of basic rate tax.
