

## Your Pension and Benefits Statement

31- October 2024

Benefit Statement for Andrew Robert Whitemore

Member Status: Pensioner

Income currently in payment: Nil

Share of fund: £1,340,541

The fund can support, subject to the liquidity requirements of the Scheme. the following drawdown rates:

£81,773 p.a. minimum GAD rate

£122,659 p.a. maximum GAD rate

In the event of your death before age 75, the fund will be paid free of taxation to your nominated beneficiary, Joanne Whitemore. On death after age 75, the distribution will be subject to the marginal rate of income tax.

The figures are a guide and not guaranteed. Your final pension income available will depend on factors including the growth your fund achieves, further contributions you make in future, charges, inflation, your retirement age, rates at the time and the pension options you choose. The taxation rules on death benefits are subject to change by Parliament.

Please contact us on 0330 311 0088 if you have any questions regarding this.
