FSCS's terms for the offer and payment of compensation: your agreement and acknowledgement

You should be aware that when you sign the legal assignment [this document] (and receive payment or part payment of compensation) you will be transferring all your legal rights against the Firm and any third parties connected to this Claim or your losses to the FSCS. This transfer will apply to your legal rights in connection with all your losses and not just the amount of any compensation we pay to you.

The full assignment terms appear below. No amendments will be accepted without prior written consent from FSCS.

Please note that under this agreement you agree to assign certain of your rights to FSCS. In the event FSCS decides not to pursue recoveries using those rights, then it will, if you request so in writing, reassign those rights back to you.

Please retain any paper or electronic documents that you have relevant to any potential claims that you may have against the

Firm and/or any third parties connected to the Claim or your losses. If you have instructed a claims management company or any third party to act on your behalf in relation to your application for compensation or any such claims, please request that they do the same.

By accepting compensation from FSCS please note that you are agreeing to assist FSCS in the ways outlined below, including by attending Court to give oral evidence if requested at any future point by FSCS.

Please take 'I' and 'my' to include each of you for joint claims.

If FSCS finds my claim eligible, sends me a compensation payment, and I do not return that payment as specified in the payment letter, I agree and acknowledge as follows:

1. I am claiming compensation for losses arising as a result of FSCS-protected business with the Firm (the Claim).
2. I accept the offer of compensation in full and final discharge and settlement of the obligations of FSCS, under the relevant rules and laws (save that, where compensation is paid on an interim basis, I may become eligible for further compensation in accordance with the relevant rules and laws). I understand that any payment of compensation is payable by FSCS to fulfil my entitlement to compensation from FSCS in respect of the Claim.
3. All my rights against the Firm (or any third party involved in or connected to the Claim) will pass to and be assigned to FSCS absolutely on payment of compensation (or any part of it).
4. All my rights against any other person (which constitute "Third Party Claim" as defined in paragraph 13 below) will pass to and be assigned to FSCS absolutely on payment of compensation (or any part of it).
5. On payment of compensation (or any part of it) I will no longer have the right to make any claim against the Firm or any other person in respect of the Claim or a Third Party Claim, and the right to make any such claims will be vested in FSCS. Any sums that would otherwise be payable to me in respect of the Claim (including any dividend or other payment in a liquidation or compromise with creditors or scheme of arrangement) or a Third Party Claim will be paid instead to FSCS.
6. I will not exercise any right or remedy that I may have or retain against the Firm or any other person arising out of, or in connection with, the Claim or any Third Party Claim, namely:
 - a. to rescind, set aside, avoid or otherwise alter any contract or obligation;
 - b. to set off, or reduce liability in respect of such a contract or obligation; or
 - c. any other right or remedy that is either personal to me or cannot be assigned or both.
7. If I recover any money or assets in respect of the Claim or in respect of a Third Party Claim, I will immediately pay or transfer it to FSCS.
8. If the payment of some or all of the compensation should not have been made for any reason, I will immediately and fully repay to FSCS any such compensation, without any deduction or set-off, plus interest.
9. I will give all reasonable co-operation and assistance that FSCS asks me to give in connection with any investigation or pursuit by FSCS of claims corresponding to the Claim and/or of any Third Party Claim, including providing documents and sworn statements and attending court to give oral evidence where FSCS wishes me to. If I make or give (or have made or given) any false or misleading statement, affirmation, or other evidence, I agree to indemnify and protect FSCS against any loss, liability, expense or cost that it may incur directly or indirectly as a result. Without prejudice to paragraphs 10 and 15 below, I also consent to become a party to any proceedings brought by FSCS in respect of claims corresponding to the

Claim and/or of any Third Party Claim if FSCS so wishes.

10. I will give such further help or authority that FSCS from time to time may require to give full effect to the transfer of my rights and/or claims to FSCS under and for the purpose of this agreement. If any assignment in this document is ineffective in transferring any such rights and/or claims to FSCS, then FSCS will still be entitled to benefit from those rights and/or claims and will be entitled to any proceeds of them. All such proceeds will be paid to FSCS. To the extent that any assignment in this document is ineffective in any way, in any respect or to any extent to pass any rights, claims or causes of action to FSCS, I irrevocably and unconditionally appoint FSCS as my agent in respect of such rights, claims or causes of action and agree that FSCS may pursue or enforce them on my behalf in whatever manner it considered appropriate.
11. FSCS may give a valid receipt to any person in respect of the Claim and/or any Third Party Claim.
12. FSCS will conduct all proceedings and settlement negotiations regarding claims assigned by me reasonably and with due regard to my interests as well as its own.
13. In this document, "Third Party Claim" means any right, claim or cause of action (of whatever nature) that I have or may have against any person other than the Firm or against any fund or property in the hands of any person other than the Firm (a) in connection with or arising out of the circumstances giving rise to the Claim or (b) otherwise relating to the Claim or to any of the losses in respect of which I am claiming compensation from FSCS.
14. In this document reference to "compensation" are references to compensation paid on an interim or final basis, as the case may be.
15. This agreement and assignment is without prejudice to any rights which FSCS may have or acquire against the Firm and/or any third party and to the extent that such rights conflict with the terms of this agreement and assignment, FSCS may elect, to which election you consent, which rights and claims it shall pursue. For the avoidance of doubt, this agreement shall not in any way prevent FSCS from exercising any of its statutory powers, including (but not limited to) making any determination that the payment of compensation by FSCS to me shall have the effect that FSCS shall be subrogated to all or any part of any rights and claims that I retain at the time of such determination.
16. To the extent necessary to give effect to any right, claim or cause of action by FSCS, this agreement and assignment shall be severable in its terms.
17. This agreement and assignment shall be governed by and understood in accordance with English law and I irrevocably accept the exclusive jurisdiction of the English courts in respect of all matters arising out of or in connection with it.

You must sign below to confirm you are the named Claimant and to acknowledge that you have read, understood, agree to and accept the declaration and all of the terms and conditions above before you can proceed.
