Transfer enquiry for Jual Edman Investments Pension Scheme

We have received a request to confirm the registration status of your scheme in order to assist a transferor scheme in deciding whether or not a transfer should be made.

Before HM Revenue & Customs (HMRC) can respond we need to be satisfied that your scheme does not indicate a significant risk of the scheme being set up or being used to facilitate pension liberation. We have identified potential liberation indicators that we believe are displayed by the scheme named above and these are given below.

In order for us to consider your scheme further, please send us the information on the attached schedule. We will need to keep all of the documents you send us so please make sure you keep any copies you need for your own records.

If you do not send this information by 8 August 2020, we will respond to any requests to confirm the registration status of this scheme, informing them that we are unable to provide the confirmation they are requesting.

When we have completed our review we will write to the transferring scheme but not to you. Please note we won't be able to discuss with you which transferring scheme(s) have asked for confirmation of your scheme's status, nor will we be able to confirm details of the progress of the review.
