Fees & Charges

Details of unarranged borrowing and interest charges can be found on our website NatWest.com on the Business Current Account page under Charges.

What to do

Within 7 days from the date of this letter – please pay in enough money into any branch to enable your Loan payments to be brought up to date. If you are unable to do this, please call us to discuss how we may be able to assist.

If we're unable to bring your loan payments up to date then it may be necessary to refer the relationship management of your account to our Specialised Business Management department. At this point, the Bank may use its legal right of set-off to clear the outstanding loan arrears if funds become available in any other connected accounts. If you hold a Business Charge Card with NatWest it may have to be suspended until your loan account is returned to a satisfactory position.

We trust that this further action doesn't prove necessary and that we can work together to resolve the situation.

Free money advice is available from your local Citizens Advice Bureau or the Consumer Credit Counselling Service as well as other debt counselling organisations.
