**Your lapsed Legal Entity Identifier (LEI) – an (avoidable) business blocker**

Dear Sir or Madam,

Since **21.07.21** your LEI (**213800BH3B8GRP4OHB25**) is on status **lapsed**.

We hereby inform you that this status may cause economic, financial and legal risks. Without a valid LEI you are not able to act and trade on the financial markets in an unrestricted manner. Furthermore, the report of an invalid LEI to trade repositories can also evoke negative consequences for your bank.

To avoid these risks and to act in a fully and legal compliant manner, we are happy to support you with the reactivation and administration of your LEI.

Bundesanzeiger Verlag GmbH, specifically LEIReg as an authorized LEI issuing authority, is an expert in all LEI-related aspects. We cooperate successfully with international financial institutions and offer customized solutions for companies in Germany, Austria, Switzerland, Luxembourg and Liechtenstein.

Let us take care of your LEI management and just focus on your core business. Benefit from our **free Transfer & Reactivation Service** and avoid potential business blockers. Besides saving time, you will also benefit from monetary advantages.

Thanks to our **Auto Renewal Service** the annual revalidation and renewal of your LEI is processed independently and automatically, which means that no effort is required on your part, and we guarantee a permanent ability to act and trade on the financial markets.

To benefit from our offer<sup>1</sup>, please fill and sign the attached form and send it to us via email or post.
