Important Notice: Interest Rate & Payment Changes

Dear Administrator
We are writing to inform you that as a result of the Bank of England base rate on 17 March 2022, your account will go through an interest rate adjustment.

The rate of interest associated with your loan is linked to the Bank of England base rate. Therefore the interest rate charged will be 6% from 18 March 2022. Your regular payments from 22 April 2022 will change to £3863.57 and will continue to be collected in the usual way.

Where you have a direct debt set up to make your payments, we will make all the necessary amendments, so you don't need to do anything.

If you currently pay by another method, e.g., standing order, please make the required changes to ensure the revised amount is received by the due date above and thereafter. All other terms and conditions of your loan will remain unchanged.

If your loan is interest only, your new payment has been calculated to ensure your loan balance at the end of the term does not change.

Should you have any queries, please do not hesitate to contact us at myloan@ccbank.co.uk or call us on 0344 225 3800*.

Yours sincerely,

Stephen Desborough
