Welcome to Interactive Brokers!

Dear Seivad SSAS,

Welcome to Interactive Brokers!

Dear Seivad SSAS,

Your application for an Interactive Brokers account to be managed by your independent financial advisor, Kapwealth Ltd, was approved. If you have not already done so, please fund the account so your advisor may begin actively managing your account. As outlined in your client agreement, Kapwealth Ltd will direct all trading and investment activity in your account and, unless you specify otherwise, IBKR will deduct any advisory fees directly from your account on their behalf.

We would like to take this opportunity to provide information to help you get started:

Explanation of Investment Objectives

Preservation of Capital:	Objective is to seek maximum safety and stability for your principal by focusing on securities and investment that carry a low degree of risk.
Income:	Objective is to generate dividend, interest or other income instead of, or in addition to, seeking long-term capital appreciation.

Growth: Objective is to increase the principal value of your investments over time rather than seeking current income. Investor assumes higher degree of risk.

Trading Profits: Objective is to substantially increase the principal value of your investments by assuming substantially higher risk to your investment capital.

Hedging: Objective is to take positions in product in order to hedge or offset the risk in another product.

Please carefully review the investment objectives and other information listed above for your account and notify the Interactive Brokers Client Service Department (see "Client Service" below) if anything is incorrect or if anything changes.

Interactive Brokers Will Not Supervise Your Advisor's Trading Decisions

The financial advisor that you have appointed to manage your account is not employed by or affiliated with Interactive Brokers. Interactive Brokers is not responsible for and will not supervise trading and investment decisions made by your advisor.

You signed or acknowledged the Interactive Brokers Customer Agreement, Legal Acknowledgements, and other agreements and disclosures when you opened your Interactive Brokers account. If you would like copies of these agreements and disclosures, please contact Interactive Brokers Client Service or click the [Forms and Disclosures](#) link in the footer of the IBKR Website.

Managing Your Account

Interactive Brokers provides clients with a secure web-based interface named Client Portal. Client Portal is where you can view and print statements, initiate deposits and withdrawals, update your personal information and communicate with IBKR. You can access [Client Portal](#) through the LOG IN button located in the upper right hand corner of our website (www.interactivebrokers.co.uk) and by entering your user name, **serv10002** , and password. For those applications which have not been completed electronically, your password has been sent separately.

It is important that you have your own username and password to access your account through the IBKR Client Portal (described below). We recommend that you log into the IBKR Client Portal frequently to view your statements, check balances and monitor activity in your account even though you are using a financial advisor to trade for you. Please contact IBKR at the numbers below if you have any trouble with your login credentials or have any questions about your account.

Please do not share your user name and password with anyone, including your financial advisor. Your advisor maintains a version of Client Portal distinct from yours, which is designed to limit access to your account information.

Funds Management

Our goal is to provide a broad range of cost-effective and time sensitive methods for transferring funds to and from your IBKR account. All transfer requests, including deposits initiated by you through your bank (e.g. wire transfers, checks), need to be accompanied by a notification to IBKR that you provide via Client Portal. These notifications ensure the timely matching and crediting of funds to your account upon arrival. You can review transaction history, initiate transfers and complete notifications via the Transfer & Pay menu in Client Portal.

Statements

IBKR will make all trade confirmations (including intra-day trade confirmations) and account statements for your account available to you through the Client Portal (your financial advisor will also have access to this information). You may view and print these documents at any time via the Reports menu after logging into Client Portal. IBKR will also send a quarterly account summary by postal mail to your residence on file. It is therefore important that you keep your address information current via the Head and Shoulders icon>Account Settings>Profile menu item in Client Portal.

Client Service

IBKR maintains Client Service Centers in multiple countries and provides virtually continuous coverage in the event you require assistance or have a question. You may direct your inquiry via telephone via our European toll free number, 00800-42-276537, or direct dial number, +41-41-726-9500 or by logging in to [Client Portal](#) and accessing the Support menu to initiate an on-line chat or submit your inquiry via an Inquiry Ticket. A complete listing of Client Service Center locations, along with contact information and hours of operation, is available through the [Support](#) menu on our website.
