

SSAS LITE INVESTING

SSAS Lite offers access to world markets, stocks, shares, bonds and options at the lowest rates.

SSAS Lite offers a great way to build your SSAS before you invest into commercial property and lending. It is ideal for customers with smaller pension pots who want the benefits of a SSAS, but at the cost of a SIPP. SSAS Lite delivers a smart and low cost way to start your SSAS Journey.

Online Access to your SSAS

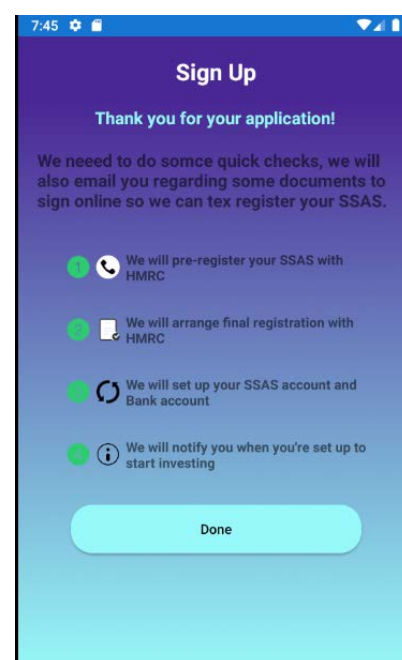

Once your Retirement Capital SSAS is activated, your app displays your banking and share trading. We keep you up to date with how your money is performing in a clear and simple way.

Invest with confidence

Your share trading account will be registered with Interactive Brokers LLC, one of the world's largest stock and fund platforms. Access world markets, bonds, shares and mutual funds at a click. Full online support, phone and online dealing from our friend's at Mitto Markets ensures trading and fast fills at the best prices.

Mitto Markets and Interactive Brokers are fully FCA regulated

We offer the following investment choices: Bonds, Cash Deposits, Funds, ETF's, Managed Options, Stocks & Shares on mainstream markets.

Investment Safeguarding

We wish to ensure that you are not investing into anything that is a possible pension scam. We have therefore placed certain safeguards for your protection.

All share trading accounts and customer funds are held with Interactive Brokers in a secure client account which you control.

All accounts will be with Interactive Brokers and only Mitto Markets can act as designed stockbroker. This is to protect and safeguard all parties to the investment and administration of your pension fund. It also ensures full FCA protection.
